

365 FACILITATORS INC.

Serving Those Who Served

Veterans First • Veteran Led • Mission Driven

Capability Statement

365 Facilitators Inc. (DBA 365 Security Services) is an SBA-certified Service-Disabled Veteran-Owned Small Business providing professional guard-force and security operations for Department of Veterans Affairs facilities and other mission-sensitive environments. Since 2025, has continuously supported Department of Veterans Affairs operations across multiple states, combining field leadership, rapid staffing, federal reporting discipline, trained security personnel, QASP-aligned quality control and executive oversight while supporting the VA's Veterans First Contracting Program and mission to serve those who have served.

365ENTERPRISE CONNECT

Digital workforce and contract-performance environment supporting onboarding, recurring training, credential visibility, acknowledgments, employee records and compliance oversight.

365Enterprise Connect™

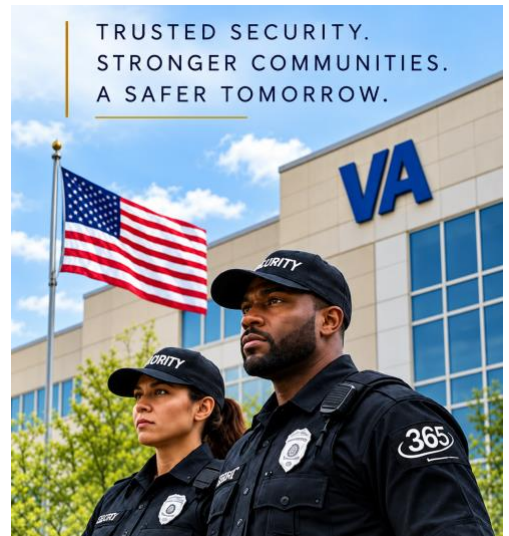

LAUNCHING NOVEMBER 1, 2026

Our integrated workforce and contract management platform to enhance training, coverage, reporting, QA/QC and real-time operational visibility — strengthening accountability and performance across all contract sites.

Contractor-furnished solution that supplements, not replaces, VA systems, Post Orders, official records, invoicing channels or CO/COR authority.

TRUSTED SECURITY.
STRONGER COMMUNITIES.
A SAFER TOMORROW.

CORE CAPABILITIES

- **Healthcare Security Guard I and Guard II** coverage for VAMCs, CBOCs, emergency departments, residential programs and specialty-care locations.
- **Protective Operations Access** control, screening, patrol, CCTV observation, escorts, dispatch, incident response and emergency coordination.
- **Workforce Mobilization Recruiting**, credential verification, onboarding, scheduling, relief coverage and multi-site transition management.
- **Contract Performance Daily** activity reports, incident documentation, post-order compliance, QA reviews, KPI tracking and corrective-action follow-through.

FEDERAL EXPERIENCE

CURRENT INCUMBENT Jesse Brown VA Medical Center, Chicago, Illinois

- **Current VA portfolio** Captain James A. Lovell FHCC and Great Lakes; Green Bay and Appleton clinics; Milwaukee CRRC; Salt Lake City VAMC; and South Florida National Cemetery.
- **Recent multi-site performance** VA Palo Alto Health Care System, including the main campus and dispersed Bay Area locations.
- **Performance record** Documented VA evaluations include Very Good and Exceptional CPARS ratings; customer reference letters are available.

WHY 365

- **Veterans First alignment** Eligible for VA SDVOSB set-aside and sole-source consideration, subject to applicable acquisition requirements.
- **Mission continuity** Veteran-led management, rapid transition planning and disciplined relief coverage help prevent service gaps.
- **Direct executive accountability** Senior leadership remains engaged in staffing, compliance, customer communication and performance recovery.
